

1. Background

To complement the theme of Life First 2022, “Say No To Danger”, we encourage participants to compete for the LIFE FIRST 2022 AWARD aims to enhance the safety culture and awareness of the construction industry stakeholders and uplift the safety performance of the construction industry.

2. Details

● Participating Team should include the following positions (5-8 people as a team):

- ◇ 1 Client Representative
- ◇ 1 Supervisor
- ◇ 1 Project Manager
- ◇ 2 Workers

● Assessment Criteria (Award Category: Gold / Silver / Bronze)

Demonstrate the spirit of SAY NO TO DANGER with high risk activities as an example

Each team member should clearly aware of their roles and responsibilities on site safety (Reference materials on Safety Roles and Responsibilities of Key Stakeholders in the Construction Industry)

1. Conduct Stand Down – Silent Tribute to review recent serious accidents;
2. How the team helps to promote safety culture on site;
3. Ensure effective site supervision on work activities;
4. Adopt advanced construction methods;
5. Effectiveness of adopting innovative technologies to improve the safety performance;
6. Feasibility to apply the innovative technologies within the construction industry.

● Submission Requirement

- ◇ **Language: Either Chinese/Cantonese or English**
- ◇ **Max. 5 PowerPoint slides and a video (please refer to requirements below) to illustrate the fulfillment of assessment criteria.**
- ◇ **Video requirements:**
 - Length of video should be less than 3 minutes
 - Resolution: high definition video formatted at 1080p
 - Format: .MP4, 2D format (not compatibles with 3D format)
 - Language: Cantonese or English
 - Subtitle script in Chinese and/or English is recommended

● Enrollment Deadline

All participants must submit the application via the Life First website (<https://lifefirst.cic.hk>) on or before 6pm, 10 July 2022.

3. Judging panel

Representatives from the Development Bureau, Construction Industry Council and industry stakeholders

4. Announcement of shortlisted teams

Early August 2022

5. Final round competition and Award presentation

During Construction Safety Week 2022

6. Important Notes

1. All submissions shall be submitted online by the deadline.
2. The submission shall not contain any obscene, violent, pornographic, defamatory, indecent, disparaging or any content that is controversial and inappropriate.
3. The submitted content shall be true and correct, and does not infringe upon the rights of any third parties (including intellectual property rights, confidentiality rights or privacy rights). If there are any violations, the submission will be disqualified. If the submitted content contravenes the law, all legal responsibilities shall be borne by the participating units, and the organisers will not be responsible.
4. If materials such as music, images, recordings or videos owned by a third party are used in the submission, the participating units shall obtain written consent from the copyright owner. The organisers reserve the right to request the participating unit to provide a written proof of authorization if necessary.
5. All participating units are deemed to provide consent to the organisers to share their presentations and videos with the public. The organisers shall have the right to publish the submissions on public websites or other media for non-profit making purposes.
6. All decisions made by the organisers shall be final decisions and binding in all matters related to the activity. Participating units are expected to abide by whatever decisions made by the Judging Panel and the organisers.
